Additional Information (Provide by sponsor)

Additional Model No.:

IVH-9204MX-ICYXXXXXXXXXXXX ("X" can be 0-9, A-Z or blank for marketing purpose)

As the statement by sponsor, above models are identical with the product with model No. IVH-9204MX-ICY, except from the Naming/Model for marketing purpose and the number of I/O ports. The number of I/O ports for above models is less than the model IVH-9204MX-ICY, that means with less slide and cover for Hard-disk box and wires. Therefore, also under the Clause 4.3.2 of EN 45545-2, exempt from the fire requirements defined in EN 45545-2:2020.

Based on the specification of EN 45545-2, this difference is not relevant to the final conclusion of the product, so the conclusion of this document is also applicable for the products with above additional model No.
